

## **SoDu Kids: Do-it-at-Home Lesson Plan**

Our new, in-person class will start **Sunday, March 28th**. The Bible stories we use are from The Jesus Storybook Bible, and each week, we will progress to the next story in the book. Because of Copyright laws, we cannot post the content of the book here. But because it is a commonly owned children's Bible, we hope you can follow along at home with your Storybook Bible.

We have written down the dates and stories that will be featured each week in the list below. If you and your child can't make it for an in-person gathering, we want to help him/her feel engaged at home.

### **The basic schedule for each week:**

- Start with a prayer for the time of learning.
- Read the next story from The Jesus Storybook Bible.
- Ask your child: What can we learn about Jesus in this story?
- Lead your child in a praise song of your choice. For ideas see the "SoDu Kids Songbook" PDF (downloaded with this lesson).

## **SCHEDULED LESSONS**

March 28 -- The sun stops shining
